SECTION 8 — CREDIT OFFICER OBSERVATIONS & ASSESSMENT

Observations below are system-generated to assist the credit appraisal process. They do not constitute a credit recommendation. Final sanction decision rests solely with the lending institution.

- ✓

Consistent Repayment Track Record
Zero overdue or NPA accounts across all 6 active credit facilities. The only historical DPD was 30 days in Nov-2022, immediately regularised with no recurrence — no systemic delinquency pattern observed across the credit relationship.
- ✓

Improving CIBIL Score Trajectory
Score has improved from 741 to 762 (+21 pts) in the current period. CIBIL Rank maintained at CMR-3 (Low Risk). Positive upward movement observed over 3 consecutive reporting cycles indicating strengthening creditworthiness.
- ✓

Conservative Facility Utilisation
OD facility (INR 1.50 Cr) used at only INR 48 Lakh (32% of limit). Cash Credit average 12-month utilisation is 42%. No signs of working capital stress or over-leverage relative to sanctioned limits.
- ✓

Balanced Credit Mix
Portfolio spans secured term loan, CC, WCDL, OD, and bank guarantee — a healthy mix of fund-based and non-fund-based exposures. Low reliance on unsecured or high-cost borrowings.
- ✓

Clean Director Credit Profiles
All resident directors carry individual CIBIL scores in the 714–758 range (Good). No NPA, default, or adverse flag on personal credit of any promoter director.
- **CERSAI Charge Verification Required**
One active charge registered with CERSAI for NCBL Term Loan (2021). Before fresh disbursement, verify charge satisfaction / modification and obtain a No-Objection Certificate from existing charge holders as per SARFAESI norms.
- **Axis Bank Enquiry Without Sanctioned Facility**
Axis Bank raised a CC enquiry of INR 1.50 Cr in Nov-2024, but no facility appears in CIBIL. Borrower may have approached multiple lenders. Seek clarification and latest sanction letters / rejection letter from the borrower.
- **4 Credit Enquiries in 12 Months — Monitor**
Borderline for a mid-size SME. Not alarming currently but indicates active credit-seeking. Monitor if count increases in next review cycle; multiple enquiries can suppress the score.
- ✗

Verify Financial Statements for FY 2024-25
Latest audited financials available are only for FY 2023-24. Obtain provisional financials for FY 2024-25 before sanctioning any new or enhanced facility. Cross-verify profitability and net-worth with GST returns, banking turnover, and ITR.

OVERALL CREDIT ASSESSMENT:	LOW-TO-MODERATE RISK — Eligible for credit appraisal subject to: (1) CERSAI charge satisfaction verified; (2) Provisional FY 2024-25 financials obtained; (3) Borrower clarification on Axis Bank unsanctioned enquiry.
